Community Defibrillator Seminar

Date: Thursday 13th September 2018

Time: 1930hrs

**Venue: Board Room 1, Admin Building, St Stephens Pavilion,
St Stephens Road, Norwich, Norfolk. NR1 3SG**

The Community Heartbeat Trust will be demonstrating the use of defibrillators and explaining how the equipment works and its benefits to the community in saving precious minutes in the treatment of sudden cardiac arrest.

A portable defibrillator was installed at the Admin Building, St Stephens Pavilion in June 2018.

The more people that know how to use the portable defibrillator installed in our community, the more chance there is of saving the life of a victim of Sudden Cardiac Arrest. Everybody is welcome (seminar is free of charge), and no special skills are required, just your willingness to play an important role in the event of a medical emergency.

To assist with arrangements, please email to confirm attendance to sspmcl@nrmltd.co.uk & in subject field put "SSPMCL Community Defibrillator Seminar"
